

## CENTRAL BOARD

October 18, 1967

The meeting was called to order at 7:10 p.m., in the Activities Room of the Lodge by President Loren Haarr.

### PRESIDENT'S REPORT

Haarr read a letter from President Pantzer concerning United Giver's which supports agencies for community welfare.

The minutes were approved with the following corrections: The number of Central Board members on committees should be limited for more student participation, Mr. Cross is the advisor for Fieldhouse and Physical Plant Board.

### VICE PRESIDENT'S REPORT

Moore requested that the commissioners make a list of the members on their boards and give the meeting place and time for Kundert. The Spokane Chamber of Commerce is holding a College-Business Symposium November 10, and would like twenty student leaders to come not just business majors; those interested are to see Moore. There will also be a Symposium held in Helena, November 30.

### ACADEMIC AFFAIRS

FLETCHER MOVED THAT PAULA MEANS BE APPROVED AS A MEMBER OF THE BOARD, SECONDED BY HARSTAD. MOTION PASSED UNANIMOUSLY.

### PROGRAM COUNCIL

Grauman and Haarr met with Lory about student inspired courses, and discussed its feasibility. Dr. Lory was encouraging. These are courses which are not ordinarily offered, such as modern underground film, Marchal McLuhen, and Viet Nam. If adopted, it would be under an extension program and later credit would be given.

### AUXILIARY SPORTS

McGrath reported the train to Bozeman will be \$1100 cheaper than the last one. It will cost \$2610 for six passenger cars and a baggage car; with a dining car, it will be \$3985. The World War III band will be playing on the train. Tickets will be \$9 including a ticket for the game. They will go on sale Monday or Tuesday. The train will leave at 7:00 a.m. and arrive at 12:00 noon. Students may come back Sunday on the same train at 1:00 a.m., or on the 8:20 a.m. or 2:40 p.m. regular trains. Haarr talked to Ferris in Bozeman and all tickets there have been sold. Allen said all reserved seat tickets sent here have been sold.

FIELDHOUSE AND PHYSICAL PLANT

Briggs reported that Miss Parent and her cohorts appeared at a hearing with Miss Parent as spokesman. She was fined \$1. Briggs said the parking spaces were arranged for maximum parking and are wide enough so there is no need to park over the lines. The only comment Miss Parent had was that the ticketing was "assinine," but she had no solution. The whole report was blown completely out of perspective by the "Kaimin." Those fined \$10 for not having a sticker receive the sticker upon payment of the fine. Schaffer said the hearing for Miss Parent's cohorts was set off because it could be dealt with in traffic court. Penland questioned why stickers for cycles had to be purchased for a whole year, since most would not be used for that length of time. Briggs said the money would be refunded for the quarters it was not in use. Briggs reported that the seats for Spurs and Bear Paws at the Idaho game had been sold to the Idaho people. Leary questioned the safety of the new bleachers; they swayed badly during the game.

FINE ARTS

It was reported that Selway would send a replacement while he was on the Jubileer Tour. The board has been working within the department.

PLANNING BOARD

Anderson stated there was no need for the students to vote on the Judicial Board of Review since it is not in the Constitution. ANDERSON MOVED TO TAKE THE JUDICIAL BOARD OF REVIEW REFERENDUM FROM THE BALLOT. SECONDED BY MCGRATH. MOTION PASSED UNANIMOUSLY. Anderson said he also had trouble with the "Kaimin" coverage of the meetings, committee reports, election announcements, etc. Since committee reports would not fill a 2 x 2 space, Connie Graham will print 8 to 10 combined reports next week. Penland asked about the minimum wage problem and whether it was retroactive. Anderson said he'd heard nothing yet and it would not be retroactive.

PUBLICATIONS BOARD

EGGENSPERGER MOVED THAT SUZANNE REVELL BE APPROVED AS A MEMBER OF THE BOARD. SECONDED BY THOGERSEN. MOTION PASSED UNANIMOUSLY. Moore asked about the progress on The Book. Eggensperger said it was going. Hudson asked why the problem with the "Kaimin" did not come under Publications Board. Anderson said Planning Board was considered as a publication. Brown said he turned in six stories and only two were printed. Briggs said stories were turned over to a class and completely rewritten. Harstad said editors did not take anything out of the stories; if information is lacking, it was not there in the first place.

### TRADITIONS BOARD

Wheeler reported for Homecoming that there will be a noise parade parade on Thursday and an SOS on Friday at which the Queen would be announced. A dance and bonfire afterwards would be sponsored by the Spurs and Bear Paws. He complained that the "Kaimin" did not give the cheerleaders any coverage. He reported from the Chamber of Commerce that \$40 cash would be given for each float next year. Hugh Edwards donated the Fieldhouse to build floats in this year. The presidents of Panhellenic Inter-Fraternity Council, Knowles, Turner, Jesse, Craig, Duniway and Miller will be parade judges. This is the first time there have been student judges. Freshman cheerleaders will be chosen November 7. Eggensperger, Anderson, Fletcher, and Johnson volunteered to drive queens in the parade.

### BUDGET AND FINANCE

VANHEUVELAN MOVED THAT CENTRAL BOARD APPROVE \$40 FOR MSPA DUES, SECONDED BY SCHAFFER. VanHeuvelan said it would come out of the General Fund. The dues will be used for lobbying and conventions. MOTION PASSED UNANIMOUSLY. VAN HEUVELEN MOVED TO APPROPRIATE \$48 FOR TWO DELEGATES TO ATTEND THE MSPA CONVENTION IN GREAT FALLS THE 28th AND 29th. SECONDED BY THOGERSEN. Van Heuvelen said Central Board should send someone who would run for president. Haarr is going and anyone interested should see him. MOTION PASSED UNANIMOUSLY.

### ELECTIONS

BROWN MOVED THAT CENTRAL BOARD ACCEPT THE PRIMARY ELECTION RESULTS. SECONDED BY THOGERSEN. Doug Chaffee from the Business School represented the faculty. MOTION PASSED UNANIMOUSLY. Polls will be open Friday from 9:00 to 5:00 in Craig, Duniway, Jesse, Liberal Arts, and the Lodge. He needs people to help set up the polls at 8:00. The Spurs and Bear Paws will work at the polls. Identification cards will be stamped with the students year and class standing. Moore said every student has at least one election to vote in so to encourage everyone to do so.

### OLD BUSINESS

Briggs reported that the Missoula City Council found a law stating any house left vacant 30 days could be confiscated. This would affect the fraternities and sororities during the summer.

Moore thanked everyone for sending the four officers to the Mansfield Dinner. Haarr gave an excellent speech, and she wished more could have attended.

### NEW BUSINESS

Moore stated that Central Board will not be effective without better coverage from the "Kaimin". There were too many complaints to let the matter go unheeded.
